GOVERNMENT OF PUDUCHERRY
CHIEF SECRETARIAT
(AGRICULTURE AND FOREST)

(G.O. Ms. No. 13/Ag., dated 18th November 2013)

NOTIFICATION

Approval of the Lieutenant-Governor, Government of Puducherry is conveyed for the implementation of the Scheme "Laying of underground PVC pipelines system in the farmers fields in the Union territory of Puducherry" as per the terms and conditions stipulated in the Annexure to this order.

2. This issues with the concurrence of the Finance Department *vide* their U.O. No. 2236/FD/F5/A2, dated 19-3-2013.

(By order of the Lieutenant-Governor)

V. MANICKASAMY,
Under Secretary to Government
(Agriculture and Forest).

**SCHEME FOR GRANT OF SUBSIDY FOR
LAYING OF UNDERGROUND PVC PIPELINES
IN THE FARMERS FIELDS**

MODUS OPERANDI

Sector : Minor Irrigation

Name of the scheme.— Integrated scheme for development, harvesting, recharging and conservation of ground water.

1. *Name of the component.*— Grant of 75% subsidy to general farmers and 100% subsidy to scheduled caste farmers subject to a maximum of ₹ 30,000 per individual for laying of underground PVC pipelines in the farmers fields.

2. *Objective.*— To conserve irrigation water from wastage due to evaporation, seepage, etc., while conveying through open channel and bring more area under irrigation as well as to provide equitable distribution of irrigation water in the cultivable area.

3. *Eligibility.*— (i) The farmers willing to lay underground PVC pipelines should own cultivable agricultural land in the Union territory of Puducherry along with a own / leased tube-well with adequate water supply.

(ii) The eligibility criteria to avail subsidy under the component are as follows:

(a) The farmers who have already availed the maximum subsidy amount during the past 15 years will not be eligible. However, the farmer benefitted for laying cement pipes in the earlier periods of the component and become failed due to age, cracking, blockage etc. are eligible to avail the benefit under the component as replacement.

(b) The farmers who have already laid underground pipelining under this component and availed part of the maximum subsidy amount to lay pipelining again in the additional area will be considered and they will be paid for the additional work. The balance amount duly deducting the already availed assistance from the maximum subsidy amount.

(c) The land in which the underground pipelining was laid under this component during the past 15 years will not be considered even if ownership has been changed.

4. *Inviting applications.*— (i) Advertisement for inviting applications will be published in local leading Tamil dailies in Puducherry and Karaikal regions.

(ii) Applications may also be had from the Office of the Hydrogeologist-II, State Ground Water Unit and Soil Conservation, Thattanchavady, Puducherry-605 009 or from the Office of the Additional Director of Agriculture, Karaikal or from the respective Uzhavar Uthaviyagams in Puducherry and Karaikal regions or can be downloaded from the website of the Department of Agriculture (www.agri.puducherry.gov.in).

5. *Submission of application.*— (i) The farmers who seek to avail themselves of the subsidy will have to apply to the Office of the Hydrogeologist-II, State Ground Water Unit and Soil Conservation, Thattanchavady, Puducherry-605 009 for Puducherry region and Office of the Additional Director of Agriculture, Karaikal for Karaikal region in the prescribed application form.

(ii) Land holding and borewell/tube-well details certificate in the prescribed format given in the application form issued by an authority not below the rank of Deputy Tahsildar of Revenue Department should be enclosed with the application in support of their claim. A copy of the field measurement book sketch of the land consented for laying of underground pipeline, electricity policy card of the tube-well used for the irrigation, first page bearing name, address and account number and last transaction page of bank passbook should also be enclosed. Farmers belonging to the scheduled caste should enclose the caste certificate issued by an authority not below the rank of Deputy Tahsildar of Revenue Department for claiming preference.

6. *Registrations, processing of application and selection of manufacturers/dealers by the farmers.*—

(i) On receipt of the applications, necessary entries will be made in the applications receipt register and seniority number assigned to the applicant for identifying each applicant which shall be used for all future reference and also an acknowledgment for the receipt of the application will be issued to the applicant.

(ii) Quotation will be called for from the reputed manufacturers/dealers of PVC pipes and the same is approved by the Joint Director (Agricultural Engineering)/Additional Director (Agricultural Engineering) and the list of approved authorised

manufacturers/dealers will be finalised by the Joint Director (Agricultural Engineering)/Additional Director (Agricultural Engineering), based on the following:

(a) The manufacturers/dealers should be in a position to supply only Bureau of Indian Standard Certified products.

(b) The manufacturers/dealers should give material guarantee for a period of one year.

(iii) The average rate and the list of approved manufacturers/dealers finalised by the Joint Director (Agricultural Engineering)/Additional Director (Agricultural Engineering) should be given to the farmers who will choose any one of the manufacturers/dealers or by his/her own fund for laying of the underground pipeline system in his field.

(iv) If the farmer proposes to lay PVC pipe in his field by own fund, the brand of pipes is left to the choice of the farmer but pipes should be Bureau of Indian Standard Certified and should be purchased only from authorised dealers.

(v) Once the farmer choose the manufacturers/dealers or self, survey will be conducted by the concerned Agricultural Officer (Engineering) for laying of PVC pipeline in their lands and estimate prepared based on the rates approved by the Joint Director (Agricultural Engineering)/Additional Director (Agricultural Engineering).

7. *Issue of work order and payment of non-subsidy portion.*— After approval of the estimates by Deputy Director (Agricultural Engineering), Soil Conservation/Joint Director (Agricultural Engineering)/Additional Director (Agricultural Engineering)/Director of Agriculture, necessary work order will be issued to the farmers by the Deputy Director (Agricultural Engineering), Soil Conservation in keeping with the seniority of the applicants for laying of underground pipeline system in their fields. If the farmers propose to lay the underground pipeline system in their field by his/her own fund, the work order will be issued to the concerned farmer itself. If the farmers choose the manufacturers/dealers to lay the underground pipeline system in their fields, the work order will be issued to the manufacturers/dealers duly verifying whether the non-subsidy portion of the cost to lay the underground pipeline system has been paid by the farmers or not.

8. *Mode of execution.*— (i) Surveying will be conducted by the concerned Agricultural Officer (Engineering) for laying of PVC pipeline in their lands.

(ii) Estimate will be prepared based on average rates approved by the Joint Director (Agricultural Engineering)/Additional Director (Agricultural Engineering).

(iii) The work of laying underground PVC pipeline system will be executed by the concerned farmers itself/manufacturers/dealers under the supervision of concerned Agricultural Officer (Engineering).

(iv) Measurements will be recorded in the "M Book" by the Agricultural Officer (Engineering) concerned and check measured by the Deputy Director (Agricultural Engineering), Soil Conservation.

(v) An undertaking by the beneficiary in the prescribed form shall be obtained to the effect that he/she will not sell, mortgage or transfer the lands to any other person and that he/she will not convert the land for any other purpose other than agriculture for a period of 10 years from the date of availing subsidy and in case he/she is found to have not abided by the terms, he/she will be liable for such course of legal action by the Government of Puducherry for breach of any of the conditions of the scheme besides facing recovery/cancellation of subsidy and recovery of subsidy amount with interest.

9. *Approval of beneficiaries.*— Beneficiaries list will be prepared by the selection committee consisting of the Additional Director (Agricultural Engineering) / Joint Director (Agricultural Engineering), Hydrogeologist-II, Deputy Director (Agricultural Engineering), Soil Conservation and the concerned Agricultural Officer (Engineering). The committee shall verify the applications, inspection report and the relevant documents. Minutes in this regard shall be prepared by the committee.

The list of beneficiary farmers shall be subjected to social audit under the supervision of Deputy Director (Agricultural Engineering), Soil Conservation and the final list of beneficiary farmers shall be approved by the selection committee.

The final beneficiary list shall be published in the notice-board of the Office of the Hydrogeologist-II, State Groundwater Unit and Soil Conservation, Thattanchavady, Puducherry/All Ozhvar Udaviyagams in Puducherry and Karaikal region and also be hosted in the website of Agriculture Department.

10. *Payment of subsidy.*— The beneficiaries so selected, will be intimated individually and the subsidy amount will be released only through by Electronic Clearing System to the farmers bank account if the farmer completed the work by own fund. If farmer choose manufacturers/dealers to execute the works the subsidy amount will be released directly to the manufacturers/dealers bank account after obtaining work completion and satisfactory letter from the concerned farmers.

11. *Evaluation study.*— An evaluation will be undertaken once in five years by an independent Committee to be constituted to ascertain as to whether the objectives of the scheme been achieved and also to furnish a detailed report to Government of Puducherry on the impact of the programmes.

V. MANICKASAMY,
Under Secretary to Government
(Agriculture and Forest).

GOVERNMENT OF PUDUCHERRY
CHIEF SECRETARIAT
(AGRICULTURE AND FOREST)

(G.O. Ms. No. 14/Ag., dated 18th November 2013)

NOTIFICATION

Approval of the Lieutenant-Governor, Government of Puducherry is conveyed for the implementation of the Scheme "Installation of micro irrigation system like sprinkler/drip irrigation in the farmers fields in the Union territory of Puducherry" as per the terms and conditions stipulated in the Annexure to this order.

2. This issues with the concurrence of the Finance Department *vide* their U.O. No. 2236/FD/F5/A2, dated 19-3-2013.

(By order of the Lieutenant-Governor)

V. MANICKASAMY,
Under Secretary to Government
(Agriculture and Forest).

SCHEME FOR PAYMENT OF SUBSIDY FOR
INSTALLATION OF MICRO IRRIGATION SYSTEM
LIKE SPRINKLER/DRIP IRRIGATION IN THE
FARMERS FIELDS

MODUS OPERANDI

Sector : Minor Irrigation

Name of the scheme.— Integrated scheme for development, harvesting, recharging and conservation of ground water.

I. *Name of the component.*— Payment of subsidy for installation of micro irrigation system like sprinkler/drip irrigation in the farmers fields @ 90% of the total cost or ₹ 25,000 per hectare whichever is less for marginal farmers, small farmers, scheduled caste/scheduled tribe and women farmers and @ 70% of the total cost or ₹ 25,000 per hectare whichever is less for big farmers/Institutions.

II. *Objective.*— Micro irrigation is a versatile water management tool which can save 30% to 60% of water in addition to other savings in farm inputs besides increasing the productivity per unit volume of water.

III. *Motivation of farmers.*— Successful functioning of any micro irrigation system mainly depends on the active involvement of the farmers who are the ultimate users of the system. As such, the message on the use and advantages of the micro irrigation system has to be carried to each and every one of the potential and water starving farmers. Besides, the manufacturers/dealers dealing with the supply of micro irrigation system should involve themselves and to motivate the farmers whole heartedly by conduct in campaigns with the assistance of the departmental officers for popularising the system. Message through the All India Radio, media and newspapers should be given for wide publicity about the micro irrigation system so that the farmers know the use of the water saving devices and avail the benefits extended by the department by way of subsidy.

IV. *Eligibility.*— (i) The farmers willing to install sprinkler/drip irrigation system should own cultivable agricultural land in the Union territory of Puducherry along with an own/leased tube-well with adequate water and pumping system.

(ii) The eligibility criteria to avail subsidy under the component are as follows:

(a) The farmers who have already availed the maximum subsidy amount during the past 10 years for sprinkler irrigation system and past 8 years for drip irrigation system are not eligible.

(b) The farmers who have already installed micro irrigation system under this component and availed part of the maximum subsidy amount to install micro irrigation system during the past 10 years/8 years in the additional area will be considered and they will be paid. The balance amount duly deducting the already noted assistance from the maximum subsidy amount.

(c) The land in which the installation of micro irrigation system under this component, the period of 10 years for sprinkler irrigation system and 8 years for drip irrigation system will not be considered even if ownership has been changed.

(d) Farmers who have availed sprinkler irrigation system earlier are also eligible for drip irrigation system and *vice versa*, if the farmer opts to cultivate intercrop for a period of 3 years.

V. *Inviting applications.*— (i) Advertisement for inviting applications will be published in leading local Tamil dailies in Puducherry and Karaikal regions and through All India Radio.

(ii) Application may also be had from the Office of the Hydrogeologist-II, State Ground Water Unit and Soil Conservation, Thattanchavady, Puducherry-605 009 or from the Office of the Additional Director of Agriculture, Karaikal for Karaikal region or from the respective Uzhavar Udhaviyagams in Puducherry region and Karaikal region or can be down loaded from the departmental website www.agri.puducherry.gov.in.

VI. *Submission of application.*— (i) The farmers who seek to avail themselves of the subsidy will have to apply to the Office of the Hydrogeologist-II, State Ground Water Unit and Soil Conservation, Thattanchavady, Puducherry-9 for Puducherry region and the Office of the Additional Director of Agriculture, Karaikal for Karaikal region in the prescribed application forms.

(ii) Application also be collected by the authorised manufacturers/dealers.

(iii) A revenue certificate in the prescribed format issued by an authority not below the rank of Deputy Tahsildar of Revenue Department should be enclosed along with the application in support of their claim. Photocopy of the Field Measurement Book (FMB) sketch of the land consented for installation of micro irrigation system, electricity policy card of the tube-well used for irrigation, first page bearing name, address and account number and last transaction page of bank passbook should also be enclosed. Farmers belonging to scheduled caste/scheduled tribe should enclose the caste certificate issued by an authority not below the rank of Deputy Tahsildar of Revenue Department for claiming preference.

VII. *Selection of micro irrigation system by the farmers processing applications and authorised manufacturers/dealers.*— (i) On receipt of the applications necessary entries will be made in the Applications Receipt Register and seniority number assigned to the applicant for identifying each applicant which shall be used for all future reference and also an acknowledgment for the receipt of the application will be issued to the applicant.

(ii) The manufacturers or dealers for installation of micro irrigation system should be left to the choice of the farmers and no particular make should be thrust upon them.

(iii) Quotation will be called for from the reputed manufacturers/dealers of sprinkler/drip irrigation system and the same is approved by Joint Director (Agricultural Engineering)/Additional Director (Agricultural Engineering) and the list of approved authorised manufacturers/dealers will be finalised by the Joint Director (Agricultural Engineering)/Additional Director (Agricultural Engineering), based on the following:

(a) The manufacturers/dealers should be in a position to supply only Bureau of Indian Standard (BIS) certified products with supportive of Central Institute of Plastic and Engineering Technology (CIPET) documents.

(b) The manufacturers/dealers should give material guarantee for a period of one year and system performance guarantee for a period of two years from the date of installation.

(c) The manufacturers/dealers should ensure the supply of spare parts throughout the life period of the system.

(d) The manufacturers/dealers should have the own service centres in Puducherry/Karaikal region for quick delivery and after sale service.

(iv) The list of approved manufacturers/dealers finalised by the department should be given to the farmers who will choose any one of the manufacturers/dealers for installing the system in his field at his choice.

(v) Once the farmer choose the manufacturers/dealers field survey will be conducted to prepare design for the field taking into account to the topography, nature of the soil, climatic factors, quality of water available, irrigation need of the installation of the micro irrigation system, etc. and estimate prepared based on the rates approved by the Joint Director (Agricultural Engineering)/Additional Director (Agricultural Engineering)/Director of Agriculture.

VIII. *Payment of non-subsidy portion.*— (iv) After finalising the estimates, the farmers contribution leaving aside the subsidy portion has to be worked out and informed to the party. The farmer then will arrange to pay the non-subsidy portion directly to the manufacturer/dealer and the same is informed to the Office of the Hydrogeologist-II, State Ground Water Unit and Soil Conservation, Thattanchavady, Puducherry for Puducherry region and the Office of the Additional Director of Agriculture, Karaikal for Karaikal region.

IX. *Issue of work order.*— After approval of the design and estimates prepared necessary work order will be issued to the farmers/dealers by the Deputy Director (Agricultural Engineering), Soil Conservation to the concerned dealers duly verifying whether the non-subsidy of the cost of installation has been paid by the farmers or not.

X. *Mode of execution.*— (i) Surveying will be conducted by the concerned Agricultural Officer (Extension)/Agricultural Officer (Engineering) for the installation of micro irrigation system in their fields.

(ii) Estimate will be prepared based on common rates approved by the Joint Director (Agricultural Engineering)/Additional Director (Agricultural Engineering).

(iii) The work of installation of micro irrigation system will be executed by the concerned dealers under the supervision of the concerned Agricultural Officer (Extension)/Agricultural Officer (Engineering).

(iv) Measurement will be recorded in the 'M' Book by the Agricultural Officer (Extension)/Agricultural Officer (Engineering) concerned and check measured by the Deputy Director (Agricultural Engineering), Soil Conservation.

(v) An undertaking by the beneficiary in the prescribed form shall be obtained to the effect that he/she will not sell, mortgage or transfer the lands to any other person for a period of 10 years and that he/she will not convert the land for any other purpose other than agriculture and in case he/she is found to have not abided by the terms, he/she will be liable for such course of legal action by the Government of Puducherry for breach of any of the conditions of the scheme besides facing recovery/cancellation of subsidy and recovery of subsidy amount with interest.

XI. *Approval of beneficiaries.*— Beneficiaries list will be prepared by the selection committee consisting of the Additional Director (Agricultural Engineering)/Joint Director(Agricultural Engineering)/Hydrogeologist-II, Deputy Director (Agricultural Engineering), Soil conservation and the concerned Agricultural Officer (Extension)/Agricultural Officer (Engineering). The committee shall verify the applications, inspection report and the relevant documents. Minutes in this regard shall be prepared by the committee.

The list of beneficiary farmers shall be subjected to social audit under the supervision of Deputy Director (Agricultural Engineering), Soil Conservation and the final list of beneficiary farmers shall be approved by the selection committee.

The final beneficiaries list shall be published in the notice-board of the Office of the Hydrogeologist-II, State Ground Water Unit and Soil Conservation, Thattanchavady, Puducherry/All Uzhavar Udaviyagams in Puducherry and Karaikal region and also be hosted in the website of Agriculture Department.

XII. *Payment of subsidy.*— (i) The subsidy will be worked out based on the total cost of installation as per the basic rate approved by the Joint Director (Agricultural Engineering)/Additional Director (Agricultural Engineering) which will be exclusive of taxes, but inclusive of installation charges. The installation charges can be calculated at 5% for drip irrigation system and 2% for sprinkler irrigation system of the estimate cost.

(ii) The beneficiaries so selected, will be intimated individually if the farmer completed the work by own fund, the subsidy amount will be released by electronic

clearing system in the farmers bank account itself, if farmer choose manufactures/dealers, the subsidy amount will be released directly to the manufacturers/dealers bank account after obtaining satisfactory completion letter from concerned farmer.

XIII. *Evaluation study*.— An evaluation will be undertaken once in five year by an independent committee to be constituted to ascertain as to whether the objectives of the scheme been achieved and also to furnish a detailed report to Government of Puducherry on the impact of the programme.
